2. Purpose of the Competition

This competition aims to enhance the communication skills of Korean language learners by expressing themselves in various ways and to promote Korean culture[cite: 1]. [cite_start]It also aims to support a proactive study-abroad experience through exchange and friendship within the international student community

3. Competition Theme

- Korean language, Korean culture, Life in Korea (Participants are free to structure their theme based on their life experiences and feelings in Korea)

4. Eligibility

- Any international student (undergraduate, graduate, language trainee) currently enrolled at The Catholic University of Korea is eligible
- Korean students can also participate by forming a team with international students

5. Content Composition

- The presentation format (e.g., Korean song, dance, play, Korean speech) can be chosen freely.
- For the finals, presentation times are limited to **5 minutes for singing, within 10 minutes for speech, and 15-20 minutes for plays**
- The presentation time for the preliminary round is 2-3 minutes per team, and in cases where on-site participation is unavoidably difficult, a video may be submitted with the application.
- Finalists must give a 1-2 minute self-introduction and a brief introduction of their presentation topic in Korean before their main performance (Excludes the speaking category)
